

Please do not allow Sinclair Broadcasting to force their stations to air an anti-Kerry documentary days before the election. Such biased broadcasting is not good for America. We need good honest reporting and we need to have the networks be responsible in what they present. The American people are tired of the lies that political candidates and their parties use against one another.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy. Instead of something produced at "News Central" far away, it's more important that we see real people from our own communities and more substantive news about issues that matter.

Sinclair's actions show why we need to change the way the media is run. Please don't allow this to happen! Thank-you. Debbie Goeldner
